

URS (FIFTEEN) PROVIDENCE (ANNUITY) WEDNESDAY JULY 11TH @ 8PM & THURSDAY JULY 12TH @ 8PM

Happy & content, Potpee is adrift on a plank in the middle of the ocean after a shipwreck. Then she's "rescued."

A collaboration between OUT LOUD Theatre
& Alley Cat Theater

Written by John Greiner-Ferris
Directed by Kira Hawkridge
Lighting / Set Design by Marc Tiberiis II

Tammy Brown - Potpee
Sarah Leach - The Ocean / Mercedes
Erika Rethorn - The Ocean / Thimble
Aubrey Dion - The Ocean
Natasha Cole - The Ocean

Theaters typically ask that you turn off your cell phone. During Plank, we're asking that you put your phone on silent, and when Potpee is "rescued" we encourage you to join in with Mercedes and Thimble and tweet, post, and take a selfie. Plank is Pay What You Can, and all proceeds will go to the actors and designer who generously donated their time and talents to this project. Thank you for supporting new plays.
